Helping Central Florida Families  
Move Forward!

## Did you know...

According to the National Alliance on Mental Illness (NAMI), it is estimated only 41 percent of adults in the U.S. receive services for mental health.

**We believe every person deserves happiness. That is why part of our mission is to support each individual on their journey towards healing and well-being.**

### Specializations include:

- ✓ Children, Adolescents, and Adults
- ✓ Couples and Families
- ✓ Depression
- ✓ Bipolar
- ✓ Anxiety
- ✓ ADHD & Conduct Issues
- ✓ Substance Use
- ✓ Psychosis and more. . .

## What does OPA do?

- Dr. Raju and his caring team of Physicians and Registered Nurses provide initial diagnosis, first-time evaluation, follow-up treatment, and medication management.
- Therapy/Counseling services are available in English and Spanish. We have options for at-home, in-office, and school-based services, depending on your needs.
- We offer TMS Therapy for individuals diagnosed with treatment-resistant depression.
- Telemedicine appointments available for patients unable to travel.

**We care for our  
Central Florida community!**

## TMS Therapy

What is it and what can it do for me?

TMS stands for Transcranial Magnetic Stimulation. If you find your depression is not improving despite medication and counseling, you may be a candidate for TMS therapy.

### TMS Therapy is:

- FDA Approved Treatment
- A non-invasive procedure
- No medication required
- Covered by major insurance companies.
